

Smart Bookable Storage Solutions

Meet Zodiac Go!

Smart bookable storage made easy

Zodiac Go! is the smart storage booking platform designed for any environment that needs managed storage – paid or unpaid.

From busy visitor attractions to modern, flexible workspaces, Zodiac Go! delivers an effortless booking experience while keeping businesses firmly in control.

It can even help create new revenue opportunities through flexible paid booking options.

Book a demonstration

The best way to experience how easy it is to install and manage a Zodiac Go! bookable locker system is to experience it for yourself. Scan the QR code to find out more.

Why choose Zodiac Go!?

- Easy to install
- Easy to use
- Central cloud-based control
- Paid or non-paid booking
- Multi-site management
- Locally based Tech Support

Flexible by design

Made to work your way

Every business is different. That's why Zodiac Go! is flexible enough to match user needs and your business goals. Whether you're looking to provide complimentary storage or generate additional income through paid bookings, Zodiac Go! gives you all flexibility you need.

Book only (no payment)

Set the booking periods, provide locker sizes and you're ready to Go!

Book and pay

Generate additional revenue through payable rate cards (by lockers size, time periods, day/hour rates, special dates or promotions) and you're ready to Go!

Need to switch from non paid to paid?

No problem. Adjust your booking model at any time through the administrator portal.

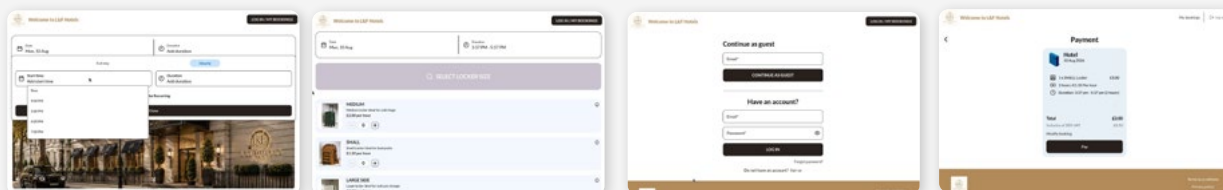

Effortless guest storage

Smarter booking for visitors

No queues. No confusion. No hassle. Zodiac Go! makes it easy for visitors to book storage, offload their belongings and enjoy their day. No messing around. **Just Book it. Store it. Go!**

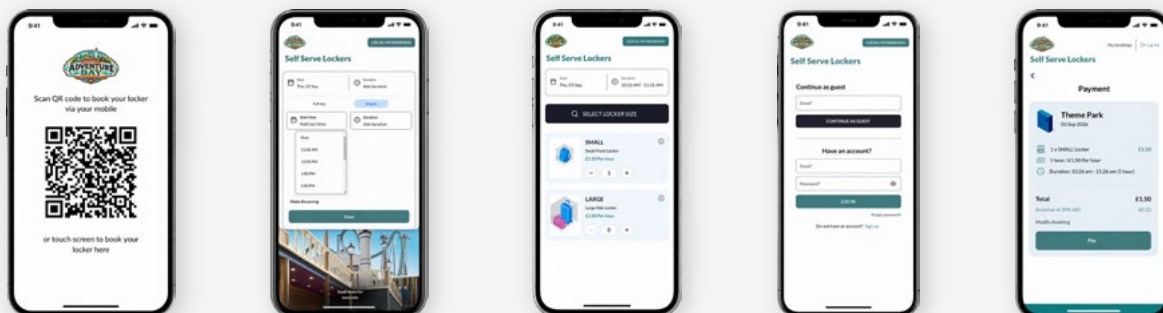

Book at the locker

Use a touchscreen or terminal and book at the locker bank.

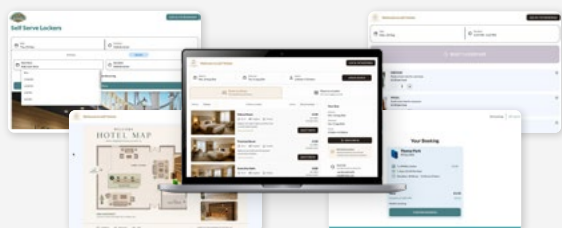

Book on mobile

Scan a QR code and book online using a mobile device.

Book in advance

Embed a link or QR code in an email or website to book in advance.

Payment options

- Apple Pay
- Google Pay
- Web-based credit and debit card payment
- Payment terminal credit/debit card payment

A smoother experience

Brilliant for all kinds of visits

Whether you're managing thousands of visitors every day or handling seasonal peaks, Zodiac Go! helps deliver a smoother customer experience.

Ideal for:

- Theme parks
- Museums and galleries
- Tourist attractions
- Event venues

Flexible revenue opportunities

Perfect end-of-trip storage

Smart bookable storage made easy

Whether you're supporting flexible working or putting in high-quality facilities to enhance your working environment, Zodiac Go! makes bookable end-of-trip storage so easy.

Perfect for those who walk, run or cycle to work, it's a simple way to enhance employee wellbeing and support sustainable commuting. **Just Book it. Store it. Go!**

Ideal for:

Hybrid workplaces

Coworking spaces

Cycling commuters

Walkers and runners

Shared desk environments

Industrial workplaces

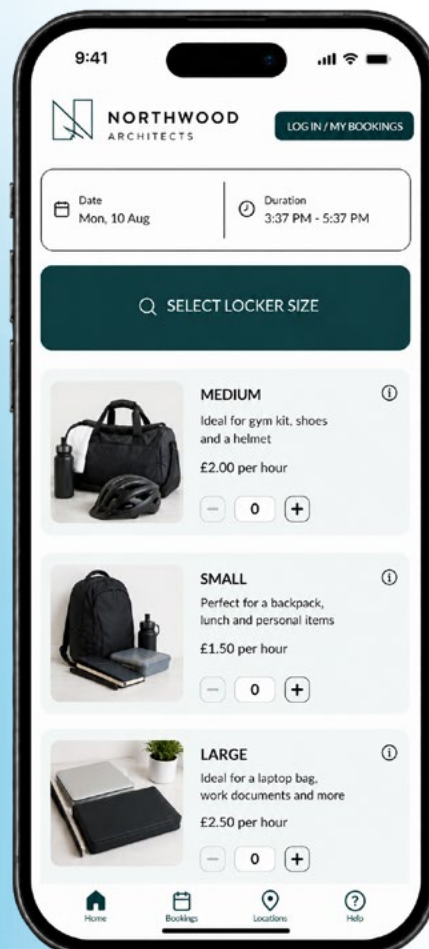

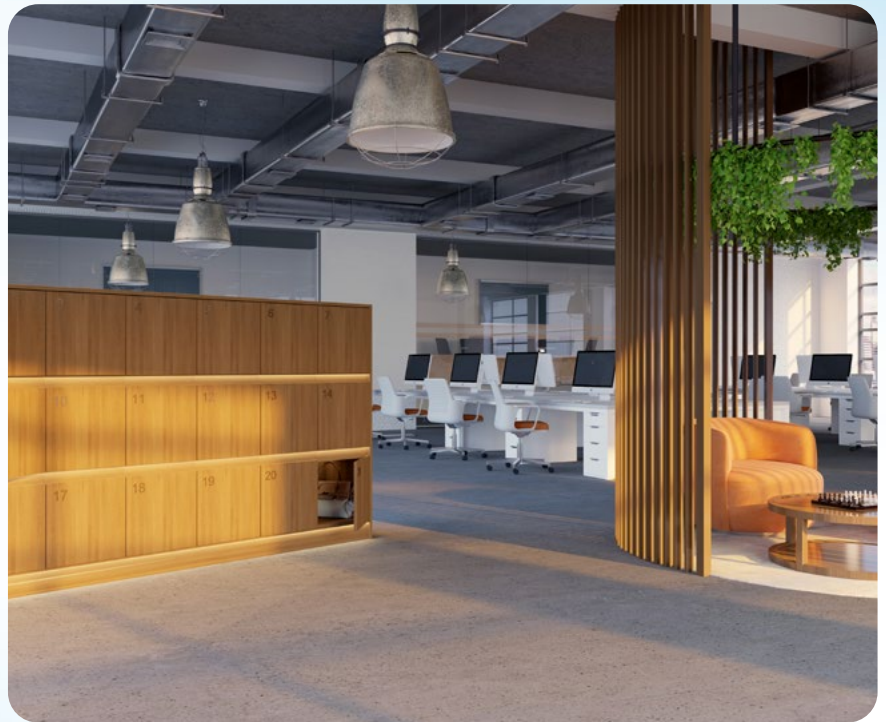

Shift workers

Employee wellbeing initiatives

Plus many more

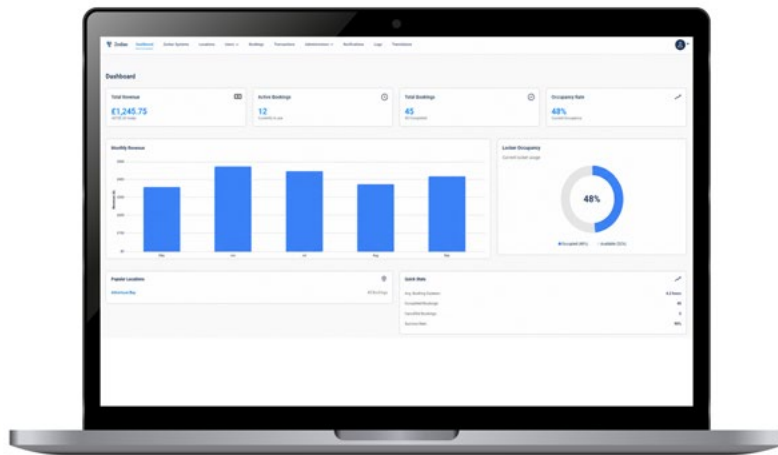

Zodiac Go! benefits for workplace storage:

- Better employee experience
- Improved locker availability
- Simplified administration
- Supports sustainable commuting

One central web portal

Stay in control, wherever you are

Zodiac Go! lets you manage locker systems across multiple sites through one centralised web portal. Monitor your locker systems in real time and make informed decisions using actionable information.

Real-time visibility shows:

- Locker usage
- Availability
- Active & total bookings
- Occupancy rates
- Revenue
- Demand trends
- Site performance

Actionable analytics help:

Optimise locker allocation

Improve customer flow

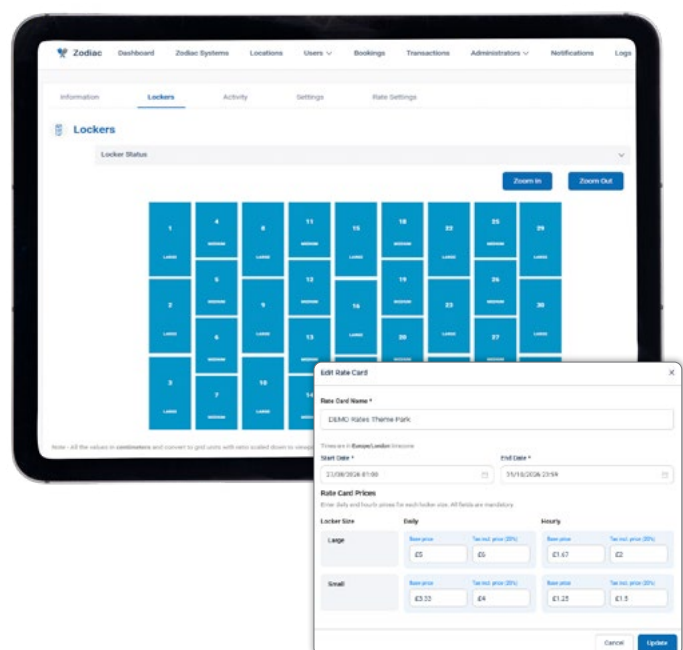

Identify high-demand periods

Increase operational efficiency

Plan ahead for seasonal or event-based pricing

Fully reliable partner

Support every step of the way

As a partner, we deliver more than just technical support – we provide peace of mind.

We tailor our support to your exact requirements, from integration and installation to commissioning and ongoing support, so you get the most from your system.

Book a demonstration
